If more than one person is named as the insured, the insurance will apply to each of you.

On behalf of RedClick

No-claims bonus

Your premium is based on a number of factors including the no claims bonus (NCB) discount entitlement you advised us of when you purchased your policy of insurance. If your NCB discount is with another insurance company, we need proof of your NCB within twenty-one (21) days. If you do not send us the NCB proof within twenty-one (21) days or the NCB you send us differs from the NCB declared when you obtained your policy of insurance from us, we may adjust your premium to remove or recalculate the NCB discount applied and automatically apply a charge or refund to your premium, using the payment card (or, if applicable, bank account details) we retain securely on file. If no claim arises during the period of insurance, at the renewal date we will reduce the renewal premium in line with our no-claims bonus scale applying at the renewal date. You can ask for details of the no-claims bonus scale.

No claims bonus earned outside Ireland

We can accept no claims bonus documents from the Republic of Ireland, Northern Ireland, Great Britain, the EU, USA, Canada, Australia, and New Zealand.

If your no claims bonus has been earned outside of Ireland, we will contact the issuing insurer to confirm the document. If we cannot confirm the document through the issuing insurer, your no claims bonus discount may be removed and your premium increased. If the issuing insurer confirms the document is not valid, the policy may be cancelled.

If a claim arises during any period of insurance, we will reduce your no-claims bonus as follows.

No-claims bonus	Reduced to
1 year	0 years
2 years	0 years
3 years	0 years
4 years	1 year
5 years or above	2 years

Although you can protect your no claims bonus, your premium may still be affected by any claims we pay.

We will not reduce your no-claims bonus as a result of:

- one claim made for fire or theft damage in any one period of insurance
- claims for loss of keys if this cover is shown in your schedule of insurance
- claims made under Section 5 Breakdown Assistance; or
- payments (including costs and expenses) which we later get back in full.

If two or more claims arise in any period of insurance, we will reduce your no-claims bonus to zero at your next renewal.

You cannot transfer your no-claims bonus to anyone else and it may only be used on one vehicle at a time.

Introductory bonus

An introductory bonus may be applied where you have not earned an NCB but have previous named driving experience.

If we have applied an introductory discount to your first premium, due to driving experience you advised us of when you purchased your policy of insurance, we need proof of this driving experience within twenty-one (21) days. If you do not send us the proof within twenty-one (21) days, or the proof you send us differs from the driving experience you declared when you obtained your policy of insurance from us, we may adjust your premium to remove or recalculate the introductory bonus discount that was applied and automatically apply a charge or refund to your premium, using the payment card (or, if applicable, bank account details) we retain securely on file.

If we have reduced your first premium using an introductory bonus, we will remove the reduction if a claim arises during the period of insurance. We will do this when your policy is renewed. At that stage you can then start to earn an NCB for periods of insurance in which no claim arises.

If no claim arises during the period of insurance, the introductory bonus will apply when your policy is next renewed and at every renewal date until the introductory bonus equals or is less than the NCB reduction which would apply. The NCB you get will only take account of the period of cover we have provided under this or other motor policies in your name.

Protected no-claims bonus

You can pay an extra premium for a protected no-claims bonus extension once you have earned a no-claims bonus of four years or more. You will keep that no-claims bonus as long as no more than one claim arises during the period of insurance for which the extra premium applies. Although you can protect your no-claims bonus, your premium may still be affected by any claims we pay. This cover only applies if it is shown in the schedule.

General conditions which apply to the whole policy

These general conditions apply to all sections of this policy.

Where we refer to 'you' in these conditions, it includes your personal representative.

1. We will only have to make a payment under this policy if:
 - a all the answers in the proposal and declaration for this insurance are true and complete; and
 - b you or any insured person meets all the terms, conditions and endorsements of this policy; and
 - c you have proven you have an insurable interest in the vehicle being insured.

Cancellation

2. You may cancel the policy at any time by telling us and returning the certificate of insurance.

If you want to cancel your policy within the first 14 working days, we will refund your premium for any period of insurance remaining.

If you cancel your policy after the first 14 working days, we will refund your premium for any period of insurance remaining, less an administration fee. Your cancellation administration fee is shown in your schedule of insurance.

All premium refunds may only be issued as long as we have received your certificate of insurance.

3. If you pay monthly you have agreed to pay the premium on the due date, or dates, as set out in that agreement. If you do not make a payment on time, we can cancel the policy by sending you 10 days' written notice by post or email. We will refund your premium for any period of insurance remaining.

If the amount you have paid at the cancellation date does not cover the premium owed, we have the right to recover the money that you owe.

We do not refund any amount which is less than the amount shown in your schedule of insurance.

All premium may only be issued as long as we have received your certificate of insurance.

4. We may choose to cancel the policy, giving you a reason, by sending you 10 days' written notice to your last known address. We will refund your premium for any period of insurance remaining. You must return to us immediately your certificate of insurance to avoid any action we may take against you to recover it.

Policy changes

5. You must:
- a let us know the details of any new or replacement motorcycle before you buy or change motorcycles;
 - b pay us any extra premium we may ask for as a result of the new or replacement motorcycle; and
 - c let us know if you sell, dispose of or change ownership of the motorcycle. All cover for the motorcycle will end and you must return the certificate of insurance to qualify for any refund of premium which we may allow.

If you do not give us, and we do not confirm full details of the motorcycle, the insurance will not apply to the motorcycle and we will not be responsible for any accident, injury, loss, damage or liability arising as a result of any accident caused by or in connection with that motorcycle.

6. You must tell us immediately about any material change to your policy, as that change may require us to reassess your cover or move you to a more suitable policy option. Examples of material changes include;
- a the main user of the motorcycle changes;
 - b you or anyone covered by this policy are charged or convicted of a motoring offence or are notified of any pending prosecutions;
 - c you become aware of any medical or physical condition of any rider that may affect their ability to drive;
 - d you wish to use the motorcycle for any use not currently included in your certificate of insurance.

This is not a full list and you should tell us about any change if you are not sure whether it is material or not.

When you tell us about a change, we may then reassess your cover. Certain changes may not be acceptable. If you do not tell us about any relevant changes, we may:

- i. reject or reduce your claim; or
 - ii. cancel the policy from the date of the change or the last renewal date, whichever is later.
- 7. If the terms of the policy change in any way, there may be an administration fee. Your administration fee is shown in your schedule of insurance.

We will not refund any amounts less than the amounts shown in your schedule of insurance. We will only refund any premium if we have received all the documents we need to carry out the alteration.
- 8. We will not refund any amounts less than €10, and we will not charge any amounts which are less than €10 which arise as a result of a change to the risk. We will only refund any premium if we have received all the documents we need to carry out the alteration.

Claims

- 9.
 - a You must report any accident, injury, loss or damage involving the motorcycle or any other motorcycle which is insured under this policy to us immediately (or by the next working day). If you do not report any accident by the next working day after the occurrence, you may not have the full protection of your policy. If any delay in reporting a claim affects our ability to minimise our losses, we may invoke our the Rights of Recovery clause. We may send you an incident investigation sheet which you must fill in and return as soon as possible.
 - b Following loss of or damage to the motorcycle as a result of theft, attempted theft or malicious damage, you must immediately contact the Garda and send us a copy of the Garda report. The report must say that the loss or damage was the result of theft, attempted theft or malicious damage.
 - c You must also write and let us know as soon as you become aware of any current or future prosecution or inquest in connection with any event for which there may be any liability under this policy.
 - d You or any insured person must immediately send us any correspondence relating to any incident without answering it. You or any other insured person must give us all the help we need. You must never accept responsibility or offer or promise payment without our written permission.
 - e We will be entitled to take over and act in your name (or in the name of any other insured person) to defend or settle any claim. We may prosecute, in your name or in the name of any other person (at our expense and for our benefit), to recover any amount we have paid. We will be able to decide how any proceedings or settlements are handled.
 - f If you make a claim, we are entitled to instruct and to give information about you and your policy to other people such as suppliers, private investigators and loss adjusters.
 - g You or any insured person must not do anything to harm our interests.
 - h If you make a claim, we may appoint our own repairers to carry out any repair work.

10. If, at the time any claim arises under this policy, there is any other insurance covering the same accident, injury, loss, damage or liability, we will only pay our share of any loss, damage, compensation, costs or expenses.
11. If, under the law of any country, we have to make a payment which we would otherwise not have made under this policy, we may recover any payment from you or from the person who the claim was made against.
12. You and anyone else acting for you or insured under this policy may lose all rights or partial rights under the policy if you or they make or attempt to make a fraudulent claim of exaggerated claim.

Duty of care

13. You or any insured person must:
 - a take all reasonable steps to prevent accidents, injuries, loss or damage;
 - b protect the motorcycle against loss or damage;
 - c give us access, at any reasonable time, to examine the motorcycle;
 - d not leave the motorcycle unlocked while unattended or leave the keys to the ignition with or near the motorcycle while unattended; and
 - e make sure the motorcycle is kept in a roadworthy condition.

For example:

- the tyre-tread depth must be within the legal limits;
- all lights and mirrors must be working properly; and
- the motorcycle's brakes (front and back) must be working correctly.

Drink and drugs

14. We will not provide cover for any accident, injury, loss, damage or liability if:
 - a you or any insured person is driving while unfit to do so due to alcohol or drugs;
 - b you or any insured person is driving after drinking alcohol and, three hours after the accident, the amount of alcohol in the breath, blood or urine of the person driving is above the legal limit for driving; or
 - c as a result of the accident you or any insured person is convicted of, or has a prosecution pending for, an offence involving alcohol or drugs.

If an accident happens under any of the above, then:

- i the cover provided in section 2,3, and 4 of the policy for loss of or damage to the insured vehicle will not apply;
- ii you or any person driving must repay all the amounts we have paid to cover any claims arising from the accident; and
- iii we may cancel your policy.

Fraud and misrepresentation

15. You and anyone else acting for you or insured under this policy may lose all rights or partial rights under the policy if you or they:
 - a provide fraudulent or misrepresentative information for example, an incorrect address, no-claims bonus, date of birth, licence, and so on when applying for, renewing or amending a policy;
 - b makes or attempts to make a fraudulent claim or exaggerate a claim;

- c provide information to support a claim that is not true and complete;
- d provide false or stolen documents;
- e deliberately fail to tell us of some or all facts relating to a policy or claim; or
- f make a claim for loss or damage caused by your or their deliberate or criminal act or omission or with your knowledge or involvement.
- g If, after a claim has been made under this policy, you become aware of information that would either support or impact the validity of that claim you must disclose such information to us.

We may also attempt to obtain a prosecution against you or any person acting for you or insured under this policy. If you provide fraudulent or misleading information, misrepresent or exaggerate a claim or provide false or stolen documents, we may also tell An Garda Síochána, other law-enforcement agencies, other companies in the Generali Group, other insurers and their agents, credit-reference agencies, fraud-prevention agencies, government agencies, regulatory authorities and other organisations concerned with fraud.

Rights of recovery

16. If the law requires us to pay a claim which would not otherwise have been covered by your policy, we reserve the right to recover that amount from you or the person on whose behalf we made the payment.

Choice of law

17. You and we may choose which law applies to this contract. Unless we agree with you otherwise, this insurance is governed by Irish law.

Currency

18. All money paid under this policy will be paid in euros.

Language and Communication Method

19. Your policy and all communications between you and us will be in English.
20. Except where we are required to send you a letter in the post for legal or regulatory purposes, we will issue all communications relating to your policy via email and/or via the Customer Portal. If you would prefer to receive information in paper and by post, please contact our Customer Services team.

Automatic Renewal

21. If you are signed up for automatic renewal, your policy will automatically renew. We will automatically use the card or bank account details that we retain securely on file to charge you for the renewal premium due on the renewal date. Your premium may change year on year.

If you are not signed up for automatic renewal and would like to sign up, you can contact us by phone or email to request this.

Your premium and the terms and conditions of your policy may change year on year. We will send you a renewal notice a minimum of twenty (20) working days before your renewal date.

You have the right to cancel the automatic renewal of your policy at any time before your renewal date. You must advise us before the renewal date by phone or by email if you do not wish to renew your policy.

Phone: 01 5534040

Email: RedClickPersonalSales@redclick.ie

If you cancel the automatic renewal of the policy, your cover will cease at the renewal date unless you advise us to renew the policy before the renewal date.

You can find more information at the website of the Competition and Consumer Protection Commission (ccpc.ie) and going to the 'Consumers' section (ccpc.ie/consumers).

22. If our attempts to take automatic payment for your renewal premium are declined, we reserve the right to cancel your policy.

23. We reserve the right to stop your policy from automatically renewing. If we do this, we will send you a notification, before your renewal date, to advise that we are declining to renew your policy.

Payment options:

24. You can pay for your policy using your credit or debit card. You can pay in full or by monthly instalments. At renewal you can continue to pay by direct debit if, immediately before your renewal date, you were paying by direct debit.

25. Paying by credit or debit card

If you chose to pay for your new policy by credit or debit card on a monthly basis, you must pay a deposit and the balance in 10 (ten) monthly instalments, on the instalment date chosen by you at the time of purchase of your policy. The instalment date must be at least 5 (five) days after the date your policy starts.

When paying for your renewal by credit or debit card on a monthly basis, no deposit is required. Your renewal premium will be divided into 12 (twelve) monthly instalments with your due date of the first instalment being the date your policy falls due for renewal, and that same date each month thereafter.

These dates are also set out in your Payment Schedule. The Payment Schedule is available in the Customer Portal. Service charge will be payable on the monthly instalments. You can view the current service charge amount in the Schedule of Fees and Charges available before purchase and in your annual policy documents. These are available in the Customer Portal.

If you pay by credit or debit card, you authorise us and the payment service provider appointed by us to use the card details provided, to charge your card (i) with the agreed amount on the date of purchase and (ii) if you are paying monthly, with the agreed amounts on the monthly instalment dates.

26. If you are paying for your policy monthly, you must make sure that your payments are kept up to date and advise us of any change to your card or

bank account details that might affect our ability to charge your card or bank account for the agreed amounts. If you do not advise us of a change to your card or bank account details and this results in a missed payment, or you miss a payment for any other reason, we may cancel your policy in accordance with the Cancellation section of the general conditions. All premiums we quote include all statutory charges.

Retention and Use of Payment Information

27. We may retain and use the payment card or bank account details provided to us, for purposes relating to the administration of your policy. Such purposes include:

- i Automatically charging the renewal premium where your policy automatically renews, unless you advise us that you do not wish to renew your policy and do so before your renewal date has passed;
- ii Applying any charge related to any change you make to your policy during the period of insurance which results in an adjustment to your premium or the application of an administration fee; and
- iii Automatically applying a charge, if we become aware that certain information provided by you when purchasing your policy (for example the NCB), and used by us to calculate your premium, is inaccurate and this results in an adjustment to your premium or in the application of an administration fee.

We will notify you in advance before we apply any charge automatically, without your express authorisation, to your card or via direct debit method. If you pay monthly, the notification of your monthly instalments will be provided in the form of the Payment Schedule, available in the Customer Portal. It is important that you advise us of any change to your contact details.

We may receive automatic updates from your bank to keep the payment card information we retain and use up to date. This does not take away from your responsibility to advise us of any change to your payment card information that might affect our ability to charge your card for the notified amounts.

General exceptions which apply to the whole policy

These general conditions apply to all sections of this policy.

We will not provide cover for any of the following.

1. Any accident, injury, loss, damage or liability if the motorcycle is being ridden by or used for a purpose not described in the certificate of insurance.
2. We will not provide cover if the insured person is entitled to claim or is covered under any other policy.
3. We will not cover the rider unless;
 - a they hold a valid licence or valid learner permit to ride the motorcycle and or not currently banned from riding; and
 - b they meet the conditions and any limits of the driving licence.
4. Any liability an insured person has under an agreement which they would not have had if the agreement did not exist.
5. Loss, damage or liability:
 - a directly caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound;
 - b caused by an earthquake or underground fire;
 - c caused by pollution or contamination, unless it is caused by a sudden, identifiable, unexpected and accidental incident which happens during the period of insurance;
 - d resulting from using the motorcycle to carry passengers or goods in a way likely to affect the safe driving or control of the motorcycle; or
 - e resulting from using the motorcycle at any event during which the motorcycle may be ridden on a motor-racing track, derestricted toll road (with no speed limit) or at any off-road event.

However, we will provide cover to meet the requirements of the Road Traffic Act.

6.
 - a We will not cover any loss, damage or legal liability directly or indirectly caused by:
 - ionising radiation or contamination by radioactivity from any irradiated nuclear fuel or from any nuclear waste from burning nuclear fuel; or
 - the radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear equipment or any part of it.
 - b Any damage or liability caused by using the motorcycle in or on any area where aircraft normally land, take off, move or park.
7. We will not cover any loss, damage or legal liability caused directly or indirectly by terrorism, other than where we must provide cover under the relevant road traffic legislation. Terrorism is defined as any act, or the use or threat of force, including but not limited to:
 - a threat of or actual endangerment of the life of a person(s);
 - b threat of or actual serious violence against any person(s);
 - c threat of or actual damage to any form of property;

d creating a serious risk to the health and safety of the public; which is committed by any person(s) for political, religious or ideological purposes to influence any government or to intimidate, bully, pressurise or to put any member of the public in fear.

However, we will provide cover to meet the requirements of the Road Traffic Act.

- 8.** Any damage resulting from a deliberate act committed by you or any person insured under the policy.

Section 1 Liability to other people

Definition of 'insured person'

For the purpose of insurance under this section, an 'insured person' includes any one of the following.

1. You, the policyholder.
2. Any person riding the motorcycle who is entitled to do so under your current certificate of insurance (other than any person in the motor trade riding the motorcycle for the purpose of repairing or maintaining it).
3. The employer or business partner of any person whose business use is allowed under the terms of the certificate of insurance. This applies as long as the motorcycle does not belong to that person and is not hired or leased by or to them.
4. Any person using (but not riding) the motorcycle with your permission for social, domestic and pleasure purposes.
5. Any person travelling on or getting onto or off the motorcycle.
6. The personal representative of any of the people named above (following the person's death) but only for the liability of the person who has died.

We will insure the insured person against legal liability for damages (including the related costs and expenses) for death or bodily injury to any person and damage to property arising as a result of an accident by or in connection with the motorcycle.

We will not pay more than €10,000,000 for damage to property arising from any one claim or number of claims arising out of one cause.

Legal costs

If we agree in writing, we will pay for the following legal costs related to an event which is covered by this section.

- a Fees for a solicitor we appoint to represent you at a coroner's inquest or fatal accident enquiry.
- b Fees for a legal representative that we ask to defend you against a charge of manslaughter or causing death by careless or dangerous driving if we decide there is a reasonable chance of success.

Foreign use

Your policy provides the minimum cover you need by law to use the motorcycle in:

- a any country which is a member of the European Union; and
- b any other country which has made arrangements to meet the requirements of the Commission of the European Union.

We will automatically extend this to provide your full policy cover (as shown in the schedule of insurance) for these countries for up to 93 days in any one period of insurance.

The following cover does not apply while you are using your motorcycle abroad:

- Section 5 Breakdown assistance (if it is shown in your schedule of insurance).

If you need cover for a longer period or if you want to travel to any other country, you must:

- a ask us to provide cover before the date you leave;
- b tell us the date you will be leaving, and the date you will be returning;
- c tell us which countries you are visiting; and
- d pay any extra premium necessary.

Certain requests may not be acceptable.

Emergency treatment

We will pay for emergency treatment fees as set out in the Road Traffic Act, following an accident involving any motorcycle for which we provide cover.

Exceptions to section 1

1. We will not cover loss of or damage to property owned by or in the charge of the insured person.
2. We will not provide cover if the insured person is entitled to claim payment or has cover under any other policy.
3. We will not cover loss of or damage to any motorcycle in connection with which we provide cover under this section.
4. We will not cover death or injury to any person which arises out of the course of their employment by any insured person, except where it must be covered under the Road Traffic Act.

Section 2 Own Damage

This section only applies if it is shown in the schedule of insurance.

We will pay for loss of or damage to the motorcycle or its accessories and spare parts (whether on it or in your private garage).

We will choose whether to repair or replace the motorcycle or any part of it or its accessories and spare parts, or pay cash to cover the amount of the loss or damage.

The most we will pay will be the value declared by you or the market value of the motorcycle immediately before the loss or damage happened, whichever is the lower.

If replacement parts are not available or are out of stock from the manufacturer's European representative or agents, you will have to pay the extra cost of transporting them from elsewhere and any extra cost above the manufacturer's European parts list price.

If your motorcycle is three years old or more, or if it has been imported, we may decide to repair it with parts which have not been made by your motorcycle's manufacturer, but are of a similar standard.

You must let us know immediately about any incident involving loss or damage to the motorcycle. You must not pay or agree to pay any expenses to repair any damage without getting our agreement beforehand. (See general condition 9.)

If the motorcycle is under a hire-purchase or leasing agreement, we may pay the legal owner for any loss or damage. We will then have no further liability for the loss or damage.

For claims made under this section the following benefits apply:

Total loss claims

A total loss is where the motorcycle is no longer economical to repair, cannot be repaired or has been stolen and not found.

If the motorcycle is a total loss as a result of damage covered under this policy, we will pay either the value declared by you or the market value of the motorcycle immediately before the loss or damage happened, whichever is the lower.

The market value of the motorcycle will be based on our engineer's assessment with reference to industry guides.

Accident recovery

We will also pay the reasonable cost of protecting the motorcycle and moving it to the nearest repairer if, as a result of any loss or damage insured under this section, the motorcycle cannot be ridden. We will pay storage up to a maximum cost of €300. We will pay the reasonable cost of delivering it to you after the repair. However, we will not pay more than the reasonable cost of transporting it to your address, as shown in the schedule.

Fire brigade charges

We will pay for local-authority charges (in line with the Fire Services Act 1981) for putting out a fire in your motorcycle if the fire gives rise to a valid claim under the policy.

The most we will pay is €2,200.

Medical expenses

We will pay for medical expenses up to €135 for each person injured if the motorcycle is involved in an accident as long as there is no cover in force under another motor insurance policy.

Loss of keys

You can pay an extra premium to have loss of keys cover. This cover applies if shown in your schedule of insurance.
